### Directions:

Drive south down the High Street in Marlow, and cross Marlow Bridge. Pass by the *Compleat Angler* hotel, which is immediately to your left on the south side of the river. All Saints Church is about 500m further down Bisham Road. The fourth right-hand turning is Church Lane, and you can recognize it by the triangle entry road which has a big tree in the triangle. A short way down Church Lane is Bisham C of E primary school, and there is some parking there (postcode: SL7 1RW). From there, you walk through a gate opposite the school into the churchyard. Follow the gravel path past the church to the river, then turn right and walk a further 30 metres or so. This brings you to a small rectangular area marked by several small conifers. Tony is buried just to the right of a grey stone plaque within that rectangle. The GPS coordinates of the exact spot are:

There is an entry in the Memorial Garden book inside the Church which reads: 'Tony Buzan - Creator of Mind Mapping, and tireless promoter of Global Mental Literacy'.
